

Cleaning Procedure: Open Wide® Mouth Rests

Applies to the Open Wide® Mouth Rests (OWD, OWDT)

The Open Wide® Mouth Rests are meant to be a disposable item in the dental office. They cannot be autoclaved or cleaned with a chemical agent.. However, they can be re-used for the same person. The Open Wide Mouth Rest can be cleaned with water (similar to a toothbrush) and re-used for the **same person**. Make sure the Open Wide® Mouth Rest dries completely.
